Reasons for Allowance

Claims 1, 3, and 6-14 are allowed over the cited prior art.

The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 12 and 13, Hyakutake discloses a demodulator (figure 6), an apparatus comprising the demodulator and a method arranged to demodulate a first signal with the aid of a second signal, the demodulator comprising: a first bandpass filter (53) arranged to recover the first signal from a received signal; and a second bandpass filter (51) arranged to recover the second signal from a received signal; in which the passband of the second bandpass filter is substantially narrower than the passband of the first bandpass filter (figures 6, 7, 9, and 10; column 4, lines 28-46); wherein the demodulator comprises compensation means (69) for compensating phase error between the recovered first and second signals (column 6, lines 7-26); and wherein the compensation means comprises a phase shifter (69) that is arranged to shift a phase of the recovered first signal, the phase shift being dependent upon the phase difference between the recovered second signal and a reference signal (column 6, lines 7-26). However, Hyakutake and the cited prior art fail to disclose further the demodulator, apparatus and method above wherein the passband of the second bandpass filter being substantially narrower than the passband of the first bandpass filter; and compensation means for compensating phase error between the recovered first and second signals, the compensation means comprising a phase shifter that is arranged to shift a phase of the recovered first signal, the phase shift being dependent upon the phase difference between the recovered second signal

and a reference signal, the compensation means further comprising a selector that is arranged to select the reference signal from at least two sources.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
